

Notes from FLC meeting – Wednesday, April 20, 2016

Due to Parish trip to PA, original meeting scheduled for the 13<sup>th</sup> was moved to today. (Louise took notes)

Meeting started 6:35

Present: Linda, Eileen, Jan, Louise

Absent: Dick, Tim, Sarah

Minutes read and approved by Linda, seconded by Eileen.

**Caring Hands update** - Linda = group is very successful – have been working hard and have many items ready for distribution.

Lots of blankets for baptisms, more than enough slippers - still accepting more.

Blessing of items is on May 12<sup>th</sup>.

Hats for Relay for Life - Chris is in charge of arrangements. More discussion at tomorrow's meeting.

**Parish Picnic** - Originally the FLC thought we would take charge of running children's games but concerns arose at the meeting:

FLC is a small committee, with seven members - Some committee members have already indicated they will not be available on the day of the picnic. These concerns will have to be addressed before we can proceed.

Altho we are a small group, we did discuss various activities/games for children. Some of which include - Having a children's Chinese auction, whereby we would give each child a sheet of tickets to play with.

Also discussed were - face painting, balloon man, magician, simple games for the children and having small prizes to hand out. We also discussed asking Boy Scouts and/or CCD children to help with the games.

Jan took a **picture of the group** writing greeting cards to be used on the webpage.

**Greeting cards** were written for the months of February and March:

February had 9 deaths; 1 baptism, 3 new parishioners.

March had 10 deaths; 5 new parishioners.
